NEW WORLD ORDER PLANDEMIC
(WHAT ARE THE REAL PROBLEMS WE ARE FACING, HOW DID IT ALL HAPPEN AND WHERE TO FIND INFORMATION)

- JULY 2020 -

To all of you who have the ability to understand the problems we are facing now as human beings collectively and all around the world, I say this: as we have come to the time where the whole world has stopped and we are under arrest faced with a pandemic which is in fact a PlanDEMIC but unfortunately, with a deeper analysis, we have realized that the pandemic is the least of our problems. There are a number of serious global issues we are facing today and the whole humanity and our way of life are under threat. Please read below about the main issues we are all facing and the short history how did it all happen:

1) The whole world is faced with a pandemic but the PLANDEMIC was man made and prepared thoroughly long in advance and the disaster is being amplified by targeted, systematic fear propaganda, manipulation and exaggeration of cases and deaths numbers in all countries; all is done for the purpose of a global vaccination program that will follow and for further control and limiting personal freedoms; also in order to collapse the economy based on small private business and to depopulate the world. SARS-CoV-2 and previously SARS-CoV, Mers-coronavirus, Ebola and Zika viruses were all made in a laboratory and patented.

2) The INNER CIRCLE, the evil elite who has taken upon themselves to take over the whole world, also known as the DEEP STATE, THE 1% OF THE 1%, THE ILLUMINATI or the KILLUMINATI, is enforcing the agenda to KILL over 95% of the population, so as to leave only 500 mil people alive, under the pretext of saving the Earth, so really what they want is to KILL everybody who is not part of the INNER CIRCLE and their influence and take this beautiful planet for themselves only, no matter how ridiculous this sounds, and it shall be done until 2030, upon delivery of the UN 2030 Sustainably Agenda or until 2050 at the latest, the destination date of the FINAL SOLUTION.

3) The COVID-19 vaccine is based on the CRISPR and mRNA, DNA changing technologies; which together with nano-technology (microbes, nano-bots or nano micro-chips) injected in the body and with the SMART DUST (also nano-technology) we have been breathing in for years from CHEMTRAILS, will make each individual visible in the 5G network once fully activated and the SMART DUST with sensors in your body will report data about your physical and mental activities together with the data of who you are as a legal entity; this will be the first step to the development of the future AI humanity project.

4) The DNA changing COVID-19 vaccine is going to switch off the VMAT-2 gene responsible for mystical experiences and spirituality and it will activate the CANCER gene so one will suffer from cancer in a few years after the vaccination but will be unable to prove the link between the illness and the COVID-19 vaccine itself; other illnesses will be activated depending on the microbes we have been breathing in from CHEMTRAILS. Already, the Bill and Melinda Gates Foundation has been responsible for a large number of cases of autism, paralysis, infertilities, other side effects and deaths among children and adults following vaccination programs in the Asian and other countries.

5) Once we are injected with the vaccines and the 5G is fully roll out, the government will be able to send in messages and images directly to your mind using the piezoelectric effect they can generate with the short microwave length waves; and with new masts capable to deliver up to 300Ghz, the electromagnetic field generated at the 60GHz will become a de facto weapon system that can be activated remotely and can KILL masses of people as it was demonstrated in Wuhan, China.

6) We are all supposed to stop running independent businesses and either work for large corporations or the government and so we will receive a UNIVERSAL INCOME no matter if we work or not but the UNIVERSAL INCOME will make everyone de facto be employed by and totally dependant from the government and all will have to accept deployments on any ongoing government project, whether you like it or not, like in a CONCENTRATION CAMP. The UNIVERSAL INCOME will hardly be sufficient to survive.

7) The elite INNER CIRCLE owns the most important media and totally controls the information we receive and trust and they also control the mainstream SOCIAL MEDIA such as Facebook, Instagram, Google, Youtube, Twitter and others and destroys anything opposing the official view or PROPAGANDA. We cannot trust ANYTHING that is being propagated by this conglomerate and additionally the NSA (National Security Agency) with their counterparts in each country keeps everyone and everything under SURVIELLANCE so if you are posting anything against the PROPAGANDA and you can be identified, you will sooner or later bear the consequences.

8) The preparation for the current events started with the 1st Gulf War of 1990-1991 which resulted from 'unsubordinated behaviour' of the US puppet Saddam Hussein and it was followed by a continuous US terrorist attacks on civilians in all various Middle Eastern countries mainly with the tomahawk missiles, an early form of drone missiles, in order to radicalize the Middle East and prepare for an open conflict, the 3rd WORLD WAR. The rationale for the war is supposed to be the conflict between the Israel and all surrounding Arab countries and the final stage of the war will be the attack on Iran.

9) We are in the middle of the WORLD WAR III that started with the false-flag inside job of 9/11 and spread in the Middle East and Africa: Afghanistan, Iraq, Sudan, Somalia, Libya, Yemen and within Syria, where there is a war between Russia, USA, Turkey, Kurds, Saudi Arabia, the 'allies' and many fractions sponsored by the US government or supported by Russia. The USA is preparing for a WAR against Russia and China as we speak, which can be a LIMITED NUCLEAR WAR or it can even end up as a full blown NUCLEAR war that will destroy the whole planet if it goes wrong.

10) The purpose of the WAR is that the INNER CIRCLE takes over the world and creates the NEW WORLD ORDER, a new economic and political system with a new one legal system, one religion, one army and no independent and sovereign countries. This will be a totalitarian utopia of human beings turned into half-human, half-robots, all connected to the AI, which in theory will be a massive computer controlling all and capable of advancing scientific problems with unprecedented speed. The capital of the NWO has already been build in ASTANA (or SATANA), now renamed Nur-Sultan in Kazakhstan, a territory of ancient Khazaria where some of the INNER CIRCLE Ashkenazi Jews claim to be their homeland.

11) The purpose of creating the AI human super computer is to ensure the ruling of the ELITE for thousands of years to come and for a rapid development of technology such as light speed space travel vehicles for the INNER CIRCLE and for the aliens they are already co-operating with and are influenced by. The aliens the INNER CIRCLE is co-operating with, may have been on this plant for thousands of years; some of them have been taking on a human form or have inter-bred with humans. No matter how crazy this sounds, the reports of alien influence and existence on Earth have existed since the Sumerian, Egyptian and Aztec cultures; there are millions of reports of UFO and alien sightings and the US government has a place called Area 51 designed to be used for alien related operations since WW II.

12) Our MONETARY SYSTEM is designed to create market crash approximately every 10 to 15 years, to gather more and more wealth in the hand of the INNER CIRCLE and to increase DEBT ad infinitum until we have nothing more left and the economy collapses all together; it has been so since the time of decoupling the gold standard from currency partially in 1933 and all together in 1971. As long as there is INTEREST, DEBT, and NO STANDARD, any system will eventually collapse. The NEW PLANNED SYSTEM will be based on cryptocurrency generated by SMART DUST sensors placed in the body to make us the mining machines of cryptocurrency and one's survival will be dependant on the performance of government given tasks.

13) Most governments have to borrow money from international banks and are not allowed to borrow from their OWN CENTRAL BANKS, rendering countries completely dependant on the conditions of these loans are provided with, which include social policy requirements. CENTRAL BANKS are not independent but they are controlled under one system that was initiated by the Rothschild family, now in the shape of the Bank of International Settlements. Politicians do no report their borrowing, from whom and on what conditions and why they are borrowing and citizens do NOT QUESTION this most important aspect of each country's sovereignty.

14) Our current MONETARY SYSTEM is totally FRAUDULENT making people believe that when they borrow money that the banks actually have the money they borrow which is reflected in each agreement signed for the bank only by the BORROWER. However, in reality the bank has no money, all they need to have is about 3% reserve and when you borrow money you actually CREATE money that you GIFT to the bank so they can give you an ADVANCE on what you have PROMISTED TO PAY. You are the creator of MONEY through the PROMISORY NOTE you give to the bank for free so they kindly give you the capital of the MONEY you promise to pay back WITH INTEREST.

15) The INNER CIRCLE with numerous supporters around the world worship EVIL DEITIES such as MOLECH, BA'AL or BAAL, BATHOMET, LUCIFER, SATAN and use KABALLAH and ancient beliefs of Sumer and Egypt to practice a verity of MAGICK SYSTEMS in order to connect to DEMONS and empower themselves. These EVIL practices involve child and human sacrifice, paedophilia, child hunting parties, CANIBALISM and the production of ANDRENOCHROME, which is a drug made from the pineal gland of a tortured and killed child. There are thousands of children that are kidnapped every year and there are thousand of children born unregistered by the cult for the same purpose; no matter how ridiculous this sounds, it is all true.

16) The INNER CIRCLE operates through hundreds of SECRET SOCIETIES and INTERNATIONAL ORGANIZATIONS that make decisions about the world without any regards for the common people, WITHOUT CONSENT, without their knowledge. They are UNELECTED bodies and always operate covertly like MAFIA terrorizing and influencing KEY PEOPLE in each country.

17) We are torturing animals in laboratories and using them to produce a variety of products and we have created a mass factory farming system of ANIMAL TORTURE and we need to end it. Eating meat is not necessary for our survival. It has been proven that PLANT DIET is healthier and it contains all the ingredients people ever need to survive. Additionally, it has been calculated that if all the land currently used to grow plants for farming animals with all the land used for animal farming, would be used to grow PLANTS and produce PLANT BASED FOODS, all HUNGER problem around the world could be solved.

18) Apart of the injustice of the INNER CIRCLE privilege, we have an unjust system of CLASSES or CASTES in most countries in one form or another. People are born into privilege and money but it is unfair and it actually does not serve them to be honourable and the best human beings they can be and it certainly does not serve the rest of us. Most people around the world live in some form of scarcity or poverty.

19) Governments around the world have become tools for the INNER CIRCLE to control each individual and keep them under surveillance and on the survival or hunger amount of resources to live on, they are not much different from oppressors of a large LABOUR CAMP. We grow up being fed the propaganda and forced to participate in the system in which as a child you are first signed on to become the property of the government via the BIRTH REGISTRATION so the government takes over the decision making AUTHORITY over the child so if the parents follow the government instructions as to the vaccinations, schooling and pay for what the government demands, they are allowed to keep the child, otherwise the children can be legally taken away from the parents; all in preparation for the child to take part in the LABOUR CAMP and repeat the process with their own children. Additionally, the value system is such that of one is not successful within the financial and production system, that person has NO VALUE for the society and in general.

20) People who have committed horrific crimes such as 9/11 and other false flag attacks, vaccine crimes, holistic doctors killings, children kidnaping, raping and sacrifice, animal cruelty or police killings, whether they are directly part of the INNER CIRCLE or whether they have become their tool through compartmentalization, they are walking this earth completely unpunished and they are an IMMEDIATE DANGER to you, your friends, your family and your country.

If you are reading this document and thinking that it is all an exaggeration, you simply have not spent enough time to research the right issues. The RABBIT HOLE is so deep that once you have read and studied all things related, you will never be able to see the world in the same way again and your reactions may have extreme consequences for your mind and for your life. If you think we are helpless and we cannot do anything, that I will not agree with. The first thing we can all do is to stop acquiescing, stop consenting to all government's demands and start seeing the reality for what it is. Never think that something is impossible. Empires collapse, countries and civilizations disappear; with focused intention of all humanity much can change. Much more has to be done but these could be some basic steps to solve the current biggest problems. The number of things we need to deal with is overwhelming, but as long as we are going in the right direction, with time, we can change, however, we are not going in the RIGHT DIRECTION now. In order to start going in the RIGHT DIRECTION, we need to start respecting the three natural and divine rights of human beings: right to live, right to freedom and right to the use of property. In order to facilitate those rights, we will need to change everything. We need direct democracy such as in Switzerland in each country, we need social security such as in Denmark, and we need a system focused on happiness such as in Bhutan. We need politicians that are totally selfless and true civil servants with a system that can ensure that this would be the case. We need totally independent, sovereign and equal countries so as to avoid centralized tyranny but we need also an international co-operation agreement involving all countries and with an international court for issues out of national jurisdiction, and international order forces based on co-operation of national forces for situations where tyranny has taken over a particular country. We need a total disarmament and destruction of all weapons and to make it unlawful to possess any weapons what can harm anybody. We need to establish a system that does not need evolving and changing, so humans can focus on changing and developing their inner world. We need to dismantle old corrupt structures hijacked by the INNER CIRCLE such as the United Nations, WHO, IMF, World Bank and the all of the current banking system and now need a spiritual change. We cannot continue with senseless forced work and production for the sake of never-ending consumption and so the environment is totally destroyed at the end; we can base our beliefs on compassion, love, freedom, choice and consent and the spiritual beliefs on personal experience rather than dogma and indoctrination. We need a totally different paradigm supporting the good nature of awakened humanity that would make any evil impossible to exist.

HOW HAS THIS ALL HAPPENED

We have come to live in the era in which a small minority of people have come to power and control around the world by deceiving others and by operating covertly. This is a group which is loosely connected through different organizations and secret societies yet they have been driving the same agenda of the takeover of the world for a long time and they have infiltrated the banking as well as political, military and commercial systems; their seed of power comes out of controlling Washington, London and Vatican but they have spread internationally, all around the world. These people, over the years, have been shaping the system and building technology through the US military and Silicon Valley linked to the intelligence agencies so as to tighten control over individuals and nation states and now they have decided that they have enough tools to take full control over the world and they call the plan the NEW WORLD ORDER.

Part of the NWO plan is slowly but systematically kill approximately 95% of people on earth by any means possible, and those may include pandemics, wars, artificially created earthquakes and environmental disasters, cancer and other illnesses through food additives and chemicals spread through chemtrails, nano-technological microbes such as Morgellons among other means which we do not even know. Their vision is to have only 500 million people living in a high-tech societies living in cities that look like Dubai, which is their example city, and those who survive will be connected to and controlled by AI – Artificial Intelligence, through means such as smart dust, neuralinks – nanotechnology portals connecting brain to the Internet and through implanted chips. The absurd idea of 500 million comes from Adam Weishaupt, the founder of Illuminati and has been recently inscribed on Georgia Guidestones as one of the 10 goals for the future. There will be a new economic system that will first be based on Universal Income – meaning everyone will get a minimum wage benefit, conditional on government requirements such as vaccinations and immunity passports, as most small businesses will be destroyed and there will be no jobs to find. The Universal Income will not be sufficient to survive though and people will be called out to work on any project the government may have in order to continue to get the benefit.

More into the future, the system will be based on cryptocurrency that will be mined by performing government given tasks. The performance will be measured through smart dust sensors in your body sending info to the central AI through the omnipresent 5G networks beaming from densely circulating satellites, which can also be used as a weapon, if necessary. At that point we will have lost all of individual freedom, and ownership of our won bodies and even thoughts. The government will be able to induce voices, images and thoughts directly into individual minds. New political, legal and religious system will also be part of the deal. We can assume the deity to be worshiped will be Lucifer, the angel who rebelled against God, as it has already been worshiped in the Vatican, and many people around the world and all religions will be accepted as long as Lucifer is worshiped as the highest God. The independent countries will be no more and all will be controlled by one army and one government only. Additionally, all people will be genetically 'enhanced' by the means of the CRISP and mRNA technologies delivered through vaccinations. It is not a distant future, 2030 is the year in which the sustainable development plan needs to be implemented, otherwise called the UN Agenda 2030 (originally UN Agenda 21), which means the population reduction, so most of us have less than 10 years to live, if that is not delivered, the FINAL SOLUTION deliver deadline is 2050. At least, that's what the plan is.

We do not know if there is one person or some kind of council at the top, or whether different outcomes are caused by groups from within the elite. Most people refer to the elite as the 1%, the Deep State, the Cabal, Black Nobility or the Illuminati or the Killuminati; so let us call them the INNER CIRCLE for the purpose of this message; some people say there are about 8000 people within the Inner Circle, which would actually be 1% of 1% of 1% but there is no way to confirm this. The Inner Circle has

been historically linked to the insiders within the Jesuits with the Black Pope and the Vatican as the main driving force but they work through the secret societies, the international elite organizations, elite families and wealthy individuals. The main secret societies are: Freemasons (Order of Knight Masons, Knights of St. Andrew, Red Cross of Constantine, Grand Orient Lodge, Grand Alpina Lodge, Scottish Rite of Freemasonry, Priory de Sion, Knights of Pelican and Eagle, and many more), Order of the Garter, Scull and Bones, the Knights Templar, the Knights of Malta, the Knights of Ku Klux Klan, B'nai B'rith or Anti-Defamation League, Round Table Group, Teutonic Order, the Knights of Columbus, International Order of St. Hubertus, Bohemian Club, Federalist Society, Opus Dei, Rosicrucians, Ordo Templi Orientis, A.:A.:, Illuminati, Hermetic Order of the Dawn, Bullingdon Club, the Mafia Commission, the Nation of Islam and there are more. Masonic organizations for youth include: International Order of the Rainbow for Girls, A.J.E.F, Acacia, DeMolay International, Job's Daughter's International, Frank S. Land, Omega Epsilon Sigma, Phi Omega Pi, Ethel T. Wead Mick. Women's masonic organizations include: Order of Eastern Star, Daughters of Isis, Omega Epsilon Sigma, Order of Women Freemasons, Women's Grand Lodge of France. There are approximately 8 million masons around the world.

The most important international elite organizations are: Bilderberg Group, the Trilateral Commission, Council of Foreign Relations, the Club of Rome, the Committee of 300, the Royal Institute of International Affairs, Aspen Institute for Humanistic Studies, Union of Concerned Scientists, Tavistock Institute, Canadian Institute for International Affairs (CIIA) or the Pilgrims Society. There are religious groups of influence such as: World Council of Churches, National Council of Churches, World Parliament of Religions, Liberal Protestant Denominations, Unity Church, Unitarian/Universalist Church, Baha'i, Temple of Understanding; educational groups: UNESCO, Planetary Congress, World Federalist Association, World Constitution and Parliamentary Assoc., Lucis Trust, World Union of National Socialists and more. Intelligence Agencies play a huge role: CIA, National Security Agency, Defense Intelligence Agency, National Reconnaissance Office, FBI, Mossad, GCSQ, MI5, MI6, MI7 and network of agencies in other 'allied' countries.

The families linked to the Vatican, called the Papal Bloodlines, the Black Nobility or the Saturnalian Brotherhood include the Houses of Borja, Breakspear, Somaglia, Orsini, Conti, Chigi, Colonna, Farnese, Medici, Gaetani, Pamphili, Este, Massimo, Ruspoli, Pallavicini, Theodoli, Sacchetti, Borghese, Odescschi; Boncompagni-Ludovisi; Savelli, Caetani, Aldobrandini and Conti, although some of the families may have lost their influence. Other, often aristocratic influential families are: Bernadotte, Bourbon, Braganza, Grimaldi, Guelth, Habsburg, Hanover, Hohenzollern, Karadjordjevic, Liechtensten, Nassau, Oldenburg, Orange, Savoy, Wettin, Wittlesbach, Wuttemberg, Zogu, Grosvenor, Winsor (Saxe-Coburg-Gotha), Merovingian dynasty and others.

The main banking Jewish, families are: Rothschild, Rockefeller, Warburg, Goldman-Sachs, Oppenheimer and Montagu among others. Other known banking families are: Altoviti, Bardi, Berenberg (Berenberg-Gossler-Seyler), Bordier, Botlin, Cerchi, Chigi, Clifford, Coutts, Fugger, Goldman-Sachs, Gondi, Hoare, Hope, Hottinger, Hochstetter, Medici, Mellon, Metzler, Miles, Morgan, Ovadia, Ovia, Peruzzi, Salviati, Scali, Schroder, Simonetti, Smith, Solaro, Strozzi, Van De Put, Van Lanschot, Wallenber and Welser; and again, some of the families have lost their influence today. Main Illuminati families are: Bush, Astor, Bundy, Collins, DuPont, Freeman, Onassis, Li Family, Reynolds, Rockefeller, Rothschild, Russell, Van Duyn, and Kennedy, however some Kennedy family members rebelled against the Illuminati and president J.F. Kennedy and other members of his family were killed.

The Inner Circle likes to claim their origins to the House of Egibi, the banking family of Mesopotamia, the priestly casts, as well as the mystery school of the ancient times: Mystery Schools of Babylon, Mysteries of Isis and Osiris in Egypt, Pharisees, Nazarenes, Essenes, Jacobites, Eleusinians, Mystery of Serapis, the Odynic, Bacchic and Dionysic Mysteries, the Rites of Tammuz and Ishtar, the Rites of Sabazius, the Mysteries of Atys and Adonis, the Mysteries of Samothrace, Magi, Mithraists, Celts, Druids and many more. The deities worshiped by the priestly class or the mystery schools were often an anthropomorphised archetype or deification of known important historical figures like in the case of

Cush, who was the grandson of Noah and who was deified as Ba'al or Baal; the term cash (money) may have come from his name. In some cases deities were believed to be visitors from other planets.

What is even more important, however, is that the Inner Circle is unified by a similar belief system: they believe that their predecessors created Christianity and Islam for the sake of controlling the population and that the true power is in believing in ancient deities and demons which would help them to maintain their dominant position. They are especially interested in mysteries, magick, hidden symbols and rituals as long as they are exclusive and not easily accessible to the common man. They believe that the morality we have learned about when growing up, such as "do unto others as you would have them do unto you", is for the common people it would restrain their freedom to do anything necessary to dominate others. The Inner Circle thinks about how to maintain power, how to create more wealth and how to be more and more effective in controlling the population so they can continue breaking the law and commit the most hideous crimes without ever being caught. The human population is for them nothing more than farm animals and they should be treated like them or even worse, we are like a virus and we have to be simply killed, as there are too many of us on this planet.

From Mesopotamia and Egypt, the knowledge of the mystery schools moved to the Kingdom of Israel and one such mystery school of a Semitic tradition is called Kabbalah, which seems to play a dominant role today. Kabbalah may have been the occult and esoteric knowledge gathered within in the era of the First Temple, the Temple of Solomon in the Kingdom of Israel, where the worshiped God was Yahweh with his consort - the Goddess Asherah and Ba'al or Baal, the evil deity identified as Satan or Lucifer in the New Testament, as well as Moloch, the deity of child sacrifice and it was also a place of ritual male and female prostitution and animal sacrifice. The ancient knowledge from all traditions was gathered and accumulated in the Library of Alexandria which was plundered by the Romans who took all of the important works back to Rome and Vatican before burning the rest of less important documents such as tax records. Rome and later Vatican became the centre of the mysteries and occult and esoteric knowledge that today is gathered within the Vatican Library.

Prof. Walter Veith and Acharaya S. provide evidence that some mystery schools from the East have moved into Rome with the expansion of the Roman Empire and there they played a role in creating and shaping the Christian religion based on a false image of Christ and through manipulation and selective approach to Gospels so as to make Jesus a God worthy of worship rather than just a spiritual teacher. The same mystery schools played a role in creating the Islam religion through the help of Muhammad's wife who was a Catholic nun. The idea was to gain key roles within those religions, which will be often occupied by the same bloodlines, so as to gather wealth and political control but to keep the occult and esoteric knowledge within their own circle only.

From the Kingdom of Israel, the Jewish religion has spread into the area called Khazaria in 8th cen. covering the present day Kazakhstan, parts of Russia and neighbouring ex-Soviet republics. Khazarians accepted the Jewish religion but they were not the original Jewish people and they spoke Yiddish rather than Hebrew. In the middle ages, the Ashkenazi Jews, being pushed out by the Islamic conquests, and the prohibition of usury, have migrated mostly into parts of Eastern and Central Europe, including Germany. Some claim that the Ashkenazi Jews migrated from Israel to Germany but such interpretation only came from a misunderstanding of the name Gomer in Talmud, which is the place where the biblical figure of Ashkenaz comes from. Gomer is interpreted as Germania, but elsewhere in Talmud is interpreted as Germanikia in Syria. Interestingly, the Ashkenazi were only a few % of all Jews during the Middle Ages but over 70% after the WWII. Adolf Hitler, who was probably the grandson of Freiherr Salomon Mayer von Rothschild, an Ashkenazi Jew, seemed to have targeted mainly the true Jews of Israel and not the Ashkenazi Jews. It is believed that Hitler was sponsored and influenced by the Rothschilds working together with Jesuits according to the plan for all the world wars were disclosed by Giuseppe Mazzini already in 1870 in a letter written to Albert Pike.

Over the centuries, the Masons who were highly educated stone builders of beautiful Cathedrals and Palaces, who were also influenced by the esoteric and occult knowledge of the mystery schools, have created trade guilds that contributed to the creation of the modern Freemasonry. At the same time, Europe had a history of Knights, such as the Knights Templar, who assisted and defended Pilgrims on the way to and from Jerusalem and provided secure storage and credit services to the pilgrims, which were the origins of an international banking service. The Knights Templar were also called the Order of Solomon's Temple and they were headquartered in the Temple Mount in Jerusalem, the place believed to be the location of the Solomon's Temple. It has been assumed that some of the beliefs and knowledge of the Knights Templar included occult knowledge believed to be kept within the walls of the Temple and that they have been accused of worshipping Baal or Baphomet and banished in 1312 but the real reason may have been the debt King Philip IV of France owed to them.

After the Knights Templar were banished, they have escaped to England and Scotland and whoever was willing to offer them a lodge, they would stay there and meet in secret and so the name Lodge would later be used for Masonic Lodges. Over 200 later, in 1540, under the influence of the Black Nobility, there was another military order formed by a Spanish soldier, Ignatius of Loyola, which was supposed to be loyal to the Vatican. The Jesuits seemed to have adopted the Knights Templar idea of a military order, they have used similar symbols such as the Templar cross and the IHS monogram, which in a longer form was used by the Templars: IHSV – *in hic signo vinces* - "in this sign you will conquer". Additionally, the Jesuits have been accused of having close relationship with Freemasonry, even having their own degrees such as Kadosh. Some sources claim that Jesuits created Freemasonry by merging the Masons guilds and the Knights Templar. The Jesuits supported the house of Stuart and King James II exiled in Paris in 1688 in his efforts to regain the English throne that would secure the restoration of Catholic Church in England; they are thought to have established the Scottish Rite of Freemasonry in order to support the return of a Catholic king in a meeting in Paris.

Additional important event happened a few years before that in England, in 1666. While London was on fire, the English parliament approved the Cestui Que Vie Act, which has legal consequences for each individual until today in the English precedents based legal system first and now in all countries: all people are declared dead unless they come forward and prove they are alive and they have time to do so until they are 7 years old. From then on, in the face of law, in courts and government matters, all names are written in capital letters which according to old Roman law - *Capitis diminutio maxima* – those whose names are written in capital letters are either dead or they are slaves and so all personal power to make decisions was taken away from people LEGALLY and the authority to make decisions on all matters was given to the government. *Capitis Diminutio Media*, where the name is written with capital first letters only, historically means a loss of citizenships (personal rights) and family (children) but without the loss of personal liberty. *Capitis Diminutio Minima*, with the name in all lower case, means personal freedom and full rights.

Also in 17th century, a Jewish man called Sabbatai Zevi lived in the Ottoman Empire and claimed to be a Jewish Messiah; he gathered a following of over million believers. Sabbataism became known for a term *dönme*, which means a false convert because when Sabbatai Zevi was threatened with death if he would not convert to Islam, he did so officially but in secret continued to preach Kabbalah. Sabbatean philosophy was to turn any taboos into something desirable, to perceive anything negative as positive, the idea which was part of Qliphoth (Qlippoth, Qlifer or Kelipot) philosophy, the left hand path to enlightenment in the Kabbalah, through doing anything evil and taboo, opposite to the common morality. The Qliphoth was explained as husks surrounding the divine in order to magnify it or as non-duality, so if everything is God, everything is allowed. The *dönme* where the predecessors of the house of Saudi and the ruling class of Saudi Arabia which is now the strongest ally of the US and the UK in the Arab world. The main descendant of the Sabbatean movement in the 18th century was Jacob Frank who claimed to be a reincarnation of Sabbatai Zevi. One of the Kabbalah's main writings includes the book of Zohar, which means illumination.

Because usury was a sin for Christians and Vatican did not permit it, those who needed loans and banking services used Jews as their bankers and accountants and so there were a number of Jewish families, mainly Ashkenazi Jews who migrated from Khazaria, who developed banking clans modelling the Sumerian bankers. The most known banking family was started by the Amschel Mayer Bauer, who later changed his name to Rothschild. Other known family is Rockefeller, which came from Rhineland, Germany; their Jewish German original name was Rockenfeld. Warburg family is another banking clan that came to Germany from Venice, where they were called del Banco, probably after their banking activities, and later took the name of the city of Warburg where they have moved to. Oppenheimer is also a wealthy Jewish banking family that originated in Germany. Amschel Mayer Rothschild who lived in the Jewish Ghetto in Frankfurt, started collecting and trading valuable coins and became a friend of Wilhelm, the prince of Hesse-Kassel who appointed Amschel as the court Jew so he would be able to provide loans legally, especially for the purpose of financing mercenaries.

The Jesuits, who were already influencing the Freemasons, were partially suppressed in 1759 and then completely expelled in 1773 from the Catholic Church for their abhorrent and immoral beliefs and activities. The Jesuits oath includes the following statement:

"I furthermore promise and declare that I will, when opportunity present, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honour, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus."

Three years after their expulsion, in 1776, Adam Weishaupt, who taught at a Jesuit university in Ingolstadt, 177 miles away from Frankfurt, established a secret society called the 'Illuminati' with a manifesto pleading to use any means possible, including terror and murder in order to get rid of monarchies and religion and to take over the control of the world. Illuminati were a creation of the Jesuit influence and they planned to take revenge on European monarchies and the Vatican for their expulsion. With the help of the Illuminati, the Jesuits have instigated the French Revolution. After the Illuminati were outlawed, they moved underground and started their covert operations. Weishaupt escaped to Saxe-Coburg-Gotha in Switzerland and reorganized Illuminati into groups that appeared legitimate such as the German Union and the League of the Just and through Count Mirabeau, he infiltrated all 266 Masonic Lodges of the Grand Orient consolidated under the Jacobin Society, and so Weishaupt was ready to initiate the "reign of terror" of the French Revolution in 1789 as reported by the writer Reverend Seth Payson. The main agenda behind the French Revolution was so the Jesuits can punish the French king, who was eventually decapitated. Weishaupt must have known Prince Albert, son of Ernst, Duke of Saxe-Coburg & Gotha, who could have been part of the Illuminati network in the very city he was the duke of, so it could have been the Illuminati influence that he was introduced to the Queen Victoria of England to whom he got married, 10 years after the death of Weishaupt so the British Royal Family became the Saxe-Coburg & Gotha family and changed their name to Windsor in 1917 as a result of anti-German views following the 1st WW.

Within the small Jewish diaspora, the famous Sabbatai Zevi, with his twisted philosophy of doing anything taboo and contrary to common morality, he came into contact with the rising star of international banking, the Amschel Mayer Rothschild who developed his banking business with the help of his friend who has then inherited one of the biggest fortunes of Europe and became Wilhelm IX. Adam Weishaupt continued the Jesuit agenda and was preparing a European war and came into

contact with the biggest war and mercenaries financier, Wilhelm IX and his banker Amschel Mayer Rothschild and together, with the help of Napoleon Bonaparte, a member of Freemasons, they have managed to initiate the a war against any nation that expelled the Jesuits and against the Vatican, and to profit from those wars immensely. France expelled the Jesuits in 1594 and in 1764, so France was the primary target. Spain and Malta expelled Jesuits in 1767, Napoleon destroyed Spain and attacked the Knights of Malta and defeated them. Austria expelled Jesuits in 1770 and Napoleon attacked them too and later poisoned the Austrian King Leopold I. England has expelled Jesuits multiple times, in 1584, in 1602, 1604 and England became Napoleon's primary target too.

Prussia and Russia were a target because Jesuits considered them heretical nations: Protestant and Orthodox. Napoleon plundered Germany but when he entered Frankfurt, none of the properties of Wilhelm IX were attacked, which shows he must have been involved. The Jesuits poisoned Pope Clement XIII in 1769 as he was going to suppress them, then Clement XIV suppressed them in 1773 and he was also poisoned soon after. The next Pope Pius VI was attacked by Napoleon who imprisoned him until his death in 1799. Pope Pius VI gave Jesuits permission to operate in Russia but that was not good enough so he was also imprisoned in 1809 and agreed to reinstate the Jesuits only after 5 years of torture and incarceration so in 1815 Napoleonic Wars finally came to an end with estimated 9 million casualties. Rothschilds became nobility and bankers of the Vatican and their portraits were painted with the Knights Templar order as a reference to Freemasonry. The Jesuits as the Illuminati have moved to the USA where they have gained the most power over the next century.

There is another interesting fact that we can learn from the letter from Mazzini, a Freemason, to Albert Pike, a 33rd Degree Freemason, written in 1870, which was displayed in the British Museum, in which Mazzini writes about 3 world wars. According to Mazzini, the 1st World War is going to help the Illuminati to overthrow the Czars of Russia and to introduce communism. The 2nd World War is going to feed off the differences between Fascists and Zionists in order to strengthen Zionism and to institute a sovereign state of Israel in Palestine. Communism should strengthen so as to balance Christianity. The 3rd World War, according to Mazzini, will be fomented as a conflict between Israel and the Arab world. Considering we have a continuous WAR OF TERROR after 9/11, where the Israeli frontliner, the USA, is attacking all the Muslim countries in proximity of Israel, that 'predication' came also shockingly true. The manipulation of the international politics behind the scenes must have been very elaborate for a prediction as enormous and as horrifying as this to come true.

In our present times, the very same ideas taken out of the Illuminati manifesto were written down on the Georgia Guidestones in the US. One of the claims in both manifestos was to limit the number of people who live on Earth to 500 million. Very recently the United Nations have published an official website introducing the NEW WORLD ORDER, a new economic and political order of the world. On the one dollar bill, the name "New World Order" corresponds to the Latin: "Novus Ordo Seclorum" and the date of 1776 which is the date of establishing the Illuminati Order corresponds to the date written at the bottom of the pyramid which is the symbol of Illuminati, yet all American citizens and all nations around the world use the American dollar, and nobody questions it. Some of the founding fathers of America were Freemasons, as were many of the American presidents. The place of private meetings between the American elites and political elites from around the world is called the Bohemian Grove, which is located in a private area in California, and it is known for the worship of Moloch, the deity committed to child sacrifice, especially for the purpose of war.

The Moloch ceremony happens every year on the first night of the two weeks of 'holidays', and it is called the Cremation of Care. It is believed that there is always a real child sacrifice that takes place there but officially Cremation of Care means: "burning the worries of life". Other reports from the Bohemian Grove tell a story of paedophilia, child hunting parties, sex orgies and other atrocities, a clear connection to the ancient Jewish religion, Kabbalah and other mysteries. We have also learned about pizzagate, a paedophile and child sacrifice gang linked to the White House and the Clintons as well as about the Epstein sex slave island with an Egyptian looking temple and the link to Prince Andrew,

Clintons, Kevin Spacey (actor), Alan Dershowitz (lawyer), Naomi Campbell (supermodel), Israel PM Ehud Barak, Alec Baldwin (actor), Courtney Love (musician), Larry Summers (Harvard President and Treasury Secretary), Steven Pinker (scientist) and many more. Epstein activities span over 20 years, he had multiple homes in America and abroad, he also had an address in Saudi Arabia and multiple foreign passports. Because of the Egyptian temple he had on his island that includes unknown underground chambers, he is thought to be linked to a cult such as Illuminati. Donald Trump was a friend of Jeffrey Epstein and had a house not far from his house in Florida, known for erotic massages and sex with under-aged girls, as is shown in the Netflix documentary "Filthy Rich", however, there is evidence that Trump was taking part in under-aged sex or child sacrifice or other Epstein's crimes.

The Illuminati may be the elite secret society or the special body within the Masons, responsible for the most difficult tasks, but they cannot account for all taking part in forming the New World Order; that is why we refer to the elite the "Inner Circle" rather than to Illuminati, which is just an important but of the few most elite organizations. Whoever is involved in the Inner Circle, they are the most dangerous and the most corrupted group that ever existed. They like to brag about their 'achievements' by stamping their actions by informing us of what is going to happen before it happens in a covert way that you can see after it happened and can then 'admire' how great a plan that was. One way they announce some of the things that will happen, is through in a popular cartoon; the Simpsons, also through the Illuminati Game cards, and through movies such as 'Contagion' from 2011, where the Coronavirus pandemic is played out exactly as it is happening now in many other ways. The Inner Circle claims they care about the 'earth' and 'environment' and that is why they need to get rid of most people: in order to 'save the planet'. There may be a real problem with environment, but we do not agree to the methods they want to use to solve the problem they have actually created themselves in many ways. The technology of free energy by Nichols Tesla was suppressed and the genius that could have given us solutions, which we may not be able to get for hundreds of years, was killed. All because such technology he knew about, would diminish profits of such families as Rockefellers who created the problem in the first place by promoting fossil fuel driven technology without regards for the environment.

Another big problem started with the decoupling of currency from the gold standard. In 1913 when the Federal Reserve Bank was created in the US, dollar had to have 40% credit backing by gold, in 1920 the FRB had already run out of further credit limit so in 1933, by the Executive Order 6102, US citizens were forbidden from 'hoarding' gold in attempt to create more reserve for increasing credit capability during the Great Depression, and the Federal Reserve did not have to fulfil the requirement of the gold reserve anymore with the introduction of the 1933 Banking Act, but the dollar was still convertible to gold or silver until 1971, when another brick wall was reached and President Nixon had to remove even this standard and de facto created the fiat currency. In a fiat currency system money can be printed at will as debt, and created debt money can never be paid off and that makes the banking elite gather all global wealth step by step. A simplified example of the problem can be described as follows: if all the money that was ever printed was 100 million given equally to every citizen, and each had to pay it back with 10% interest, the interest is never printed so it cannot be paid off – as a result someone has to go bankrupt. The debt system was enforced by the Federal Reserve Bank in the US and the Central Bank in each country; all controlled by the Bank for International Settlements.

All money is, is a PROMISE TO PAY (in the US it is called IOU (I Owe You) or LEGAL TENDER, so when you give someone a banknote you promise to pay them, but you never actually pay them. When you take a loan or credit, you sign an agreement and you Promise to Pay to the bank and so on the basis of the Promise, the bank enters an asset into their double entry accounting system and then they can generate a value that they then transfer to your account; that is all it is. The bank makes money when you start paying off your debt and gets a real value when they foreclose (or repossess) a property, a car, a company etc. or when they buy a real asset for the fake value money they make of the people's labour and payments. Even though many generations have worked hard so their children have a better future, most people live from month to month, tied up in debt for the rest of their lives. The system is

rigged so depending on the current situation, the amount of interest we need to pay on debt such as mortgages can be changed just by the decision of one person and it doesn't make a difference to them at all, just as long as we still believe in the system and keep paying rather than ask questions.

Additionally, there are a "boom and bust" market crashes that happen with more or less similar frequency, and are created by the bankers and market manipulators so they can take over assets that were used as collateral for debts, such as property, and buy cheap stock. 1929 is the year the Great Depression started and the market went down by 83.4%, 17 years later in 1946 market went down 21.4%, 16 years later in 1962 another crash took the market 21.7%, 6 years later the market went down 29.3%, and 5 years later in 1973 it went down by 42.6%; 14 years later Black Monday happened in 1987 and the market crashed 29.6% and in 1999 again, 12 years later the Internet Bust sent the market down by 44.7%; 8 years later in 2007 another crash by 50.9% and now, 13 years later is the Coronavirus and another market crash. If you answer the question: who profits from a market crash, you may be able to answer who is behind it. The national debt is another question. No politicians disclose to whom each nation owes money to and why it is that most of the time we pay to foreign banks as they are in their full right to borrow money from their own central banks. Three Nobel Laureates supported that idea: Milton Friedman, William Vickerey and Abba Learner and it is just common sense, but even if solving that problem, we would still be faced with the question of gold standard and the question of interest – where is it suppose to come from?

September 11th shocked the whole world and at first everyone believed what was being shown on television and very quickly the public backed Bush's "War on Terror", nobody has then realized that the war on terror was the beginning of the "War on You". Everyone can be suspected to be a terrorist so step-by-step new laws were being introduced allowing for the expansion of mass surveillance, rendition whereby any suspected citizen can be taken away without a court warrant and kept in an undisclosed location for unlimited time and without access to a solicitor. Often times in such cases torture takes place in the air on a plane where international law does not apply or in other countries and locations such as Guantanamo Bay. The Bush administration has introduced a legal framework to allow the US army be sent against their own citizens, a final blow to any illusion that their own country is there to serve US citizens. 9/11 was promptly followed by attacking Iraq using the excuse that there are weapons of mass destruction, a lie told all European allied to use their resources for implementing the INNER CIRCLE AGENDA: George Bush Jr. finishing off his father's business from the 1st Gulf War of killing Saddam Hussein, as he was not the puppet they have initially paid for and decided to make his own decisions and his own politics, yet if anybody would attack America for making their own decisions, they would be considered outrageous terrorists. Saddam Hussein never attacked Kuwait, it was confessed by a number of US soldiers that they were tasked with causing fires to the Kuwaiti oil wells so it can be blamed on Iraq and the whole idea of Iraq's attack on Kuwait can be fabricated.

Attacking Iraq had also significance for the Inner Circle and their occult beliefs linked to the ancient Mesopotamia and so they have plundered many of the sacred historic sites and museums and priceless important artefacts have disappeared. Syria has some importance, as part of the ancient Northern Mesopotamia, because of historical sites and lay lines and energy centres located there. Next was Afghanistan were before the invasion, only about 2 % of global drug production used to come from and now it is about 98%, where cocaine, heroine and other drugs are being transported into the US by military planes. The US soldiers are protecting the poppy seed fields and ensure the continuation of the conflict with the Taliban to make sure that the US army stays in Afghanistan for as long as possible. Only in case of a plane crash such as a CIA linked plane crash in Mexico with 3 tonnes of cocaine, we get to find out about such information. Bush family, which is also involved in the Arms industry in the US, has historically been linked to the Scull and Bones, the society that shares the symbol with the Nazi Schutzstaffel (SS), also known to have been established and sponsored by opium traders since 19th cen., namely by the Russell family, another Illuminati family.

Interestingly, George Bush has purchased the property, in which Hitler lived in Paraguay until 1971; he must be an object of cult for the Bush family; after all, he did deliver the plan and made the Bush family rich through petrol which Preston Bush, George Bush' grandfather, was selling to Hitler while American soldiers were dying fighting in the war with Nazis. After Iraq and Afghanistan were Libya, Syria, Lebanon, Somalia, Sudan and Iran, the whole plan was revealed to the military 10 days after 9/11 as it was confirmed by the whistle-blower General Wesley Clark. The biggest target still left out is Iran which is already surrounded by US military bases from all sides, the final stage of the WW III, the war which we are living in not even being aware of it, which is to be the beginning of the open war with the supporters of Iran – Russia and China – the only two countries standing in a way of the New World Order. The number of people killed since 2001 is staggering. Options of Limited Nuclear War are being discussed and prepared by the Centre for Global Security Research.

Right now, we have been infected by what is probably a virus or a bacteriological infection created in a lab by the sponsorship from the US government under the leadership of Dr Fauci, who is now somehow 'an adviser' to president Trump, and we were put under house arrest. Fauci works with Bill Gates and together they have been plotting how to make billions by selling vaccines for the virus - Bill Gates admitted in an interview that so far he invested 10 billion in the vaccine industry and his return is 20 billion – 100% return is not something you can easily find those days. Melinda and Bill Gates Foundation sponsored the Pirbright Institute, which already holds a patent for a coronavirus. Why would anyone hold a patent for a coronavirus?, to create a vaccine?, just create the coronavirus vaccine patent then, right? The name Pirbright comes from Baron Pirbright, whose mother was a Rothschild, a clear connection between the Rothschild family and the institution responsible for patenting the coronavirus as well as for working on the mRNA and CRISPR DNA technologies that can be used in a new COVID-19 vaccines. The key figures for the Deep State, or the illuminati are Bill Gates, responsible for vaccination program, Elon Musk, responsible for the AI program through Neuralinks and 5G through Starlink satellite program, previously George Bush, Bill Clinton and Barack Obama responsible for US legislation and funding wars in the Middle East. George Soros was and is responsible to 'supporting democratic movements' in many countries through his Foundations and sponsorship, which may have not been so bad in some cases, if not it was only done for the reason for the deep state to come in and take over those countries by placing their own people in the positions of power.

We are about 7.8 billion people right now so if we were to be only 500 million left, over 7 billion people would have to die. There is a NASA future military plans document which was discovered on the NASA website, left there 'accidentally', in a plane sight; it says that the plan is to depopulate the planet slowly and systematically through actions such as 'pandemic', wars, artificially created illnesses, vaccines and other means. The years between 2020 and 2030 are crucial as the sustainability UN Agenda 2030 has to be implemented which will mean moving people into cities from rural areas among other things and the FINAL DELIVERY will be 2050. The UNWNO.org website says there should be 10 billion people on earth by 2050 as if they decide that, we do not trust that claim, the covert way those people are operating, we know that they say one thing but do another. The vaccine that is probably already there waiting to be distributed, is a part of the plan, that is technologically advanced so it maybe difficult for some to understand, but the idea is that we are already covered by SMART DUST. We have been breathing in the smart dust for years together with chemicals from chemtrails spread by planes and balloons, which are carried out under cloud seeding or stratospheric aerosol injection projects, under the pretext of reducing the Earth's temperature and climate regulation. The smart dust works as an Internet portal; it will be connected to 5G. The 5G network, which is being rolled out, will allow for identifying people in the network and gathering data about their external as well as internal activity. The coming COVID-19 vaccines are supposed to inject something that is missing from the "Master plan", it maybe additional nano-bots, chips or gene changing RNA sequence that will cause cancer in a longer term. It may be that the vaccines will try to 'enhance' the people who are supposed to survive the genocide.

Part of the belief is that the myth of Adam and Eve from the Garden of Eden represents an older Sumerian myth that homo sapiens were created by DNA modification by Anunnakis, who came from another planet to set up a gold mining operation in the area of ancient Mesopotamia and needed the local people to work for them but they were too primitive to follow commands so they have incorporated some of their own DNA to make people more intelligent. The experiment did not work at first, as the first created people were infertile, so they have taken additional DNA from the male to create a fertile female, which represents the Bible myth that God took Adam's rib to create Eve. After the Anunnaki, the Arians came to Earth from Mars as their planet was deteriorating and losing atmosphere – they were the blond hair, blue eyes looking humans who had superior intelligence and knowledge and after them the Reptilians came following their enemy they were fighting on different planets also – the Arians. There are three types of reptilians: winged, unwinged and greys. The Reptilians live underground but have the ability to take a human form and become invisible by changing their frequency. They possess some knowledge of the technology they lost so they are influencing and working with the INNER CIRCLE in order to recreate zero-point energy based technology allowing for light speed travel though building a human based AI super computer so they can travel again and go back to their own planet. No matter how ridiculous this sounds, there are the stories circulating among the members of Illuminati and so one would only be able to access some confirmation of these of the US government would unclassify Area 51 and related evidence.

It is possible that the Depp State can improve the Homo Sapiens, and if not, they can certainly try and experiment? Elements of such philosophy can be seen in the Planned Parenthood and Eugenics ideas propagated by the Gates family and the Melinda and Bill Gates Foundation. The ID2020 plan or the microchipping is the plan to identify individuals in the legal system once they are visible in the network through smart dust. Once this is done, everyone will be totally identifiable and visible in the network 24/7 in real time, together with all the internal data picked up by smart dust such as movement, patterns, brain activity, body temperature and even thoughts. We have some reports that the COVID-19 vaccine may include the CRISPR switch that will switch off VMAT-2 gene sequence responsible for metaphysical and spiritual experiences and that it will include the activating switch for cancer too. This is not the kind of improvement that we need. Cure for cancer is already one of the most suppressed cures for years now, even though there are many and proven methods for decades. There are over 2,500 different chemical food additives and over 12,000 substances that indirectly can be added to our food through production and packaging. Unknown number of substances can enter our body as naturally occurring chemical contaminants. There is a reason why this is allowed to happen.

There has been no requirement to perform tests to determine carcinogenicity for most substances added to food; all what is needed for approval is toxicological data. Aspartame which is a strong carcinogen is a sweetener added to many foods and drinks; acetaldehyde is added to alcohol, cigarettes and cosmetics, but examples are numerous. There are cases such as with saccharin, which has been tested and proved to cause tumours, but it has still been legalized for use as food additive. Production and allowing these carcinogens is intentional so as to reduce the population and get rid of financial liability to pensioners who are most likely to be affected the most. On top of all carcinogens, we are also being served GMO (genetically modified organism) food. In the US, there has been a bill passed called Monsanto Protection Act or the Farmers Assurance Provision, which bars federal courts from being able to halt the sell or planting of GMO, no matter what health concerns will be arising in the future. GMO food does not need to be labelled as GMO and Melinda and Bill Gates Foundation supported Monsanto is pushing GMO farming agenda in Africa and Asia where it is easier to bribe local authorities for them to allow it in their countries.

The big factor adding to the problems is eating meat. If humans ate meat for survival purpose in a past history, it has now for a long time been possible to survive eating only vegetables and fruit, or plants in general. The meat industry is the most cruel and disgusting business of all where sentient beings like us, who can feel pain, fear, sadness, are being kept in conditions of a CONTINUOUS TORTURE. Moreover, animals are given pesticide treated food and are injected growth hormones and antibiotics and other

medication that with consumption travels into the bodies of consumers. Many illnesses are spread through meat consumption as well as through consumption of contaminants resulting from the processing, transportation, packaging and quickly decaying meat. It has been calculated that all the land that we use to grow plants to feed animals, if it would be used for growing plants for us to consume, we would resolve malnutrition and hunger issues all around the world, including the poorest countries. If we think that we can eat animals because we have higher intelligence, do we also agree that if other beings of higher intelligence came from another planet, would they also be within their rights to farm, and consume human meat? Would beings such as reptilians be within their rights to carry out human and child sacrifice as they would claim they are 'higher intelligence' race?

We have been getting reports of electronic and cyber harassment as well as various sophisticated concealed weapons attacks by governments in different countries. The weapons used may include a directed-energy weapon (DEW), microwave weapons, particle beam, sonic or plasma weapons against targeted individuals (TI). There are reports that individuals are targeted because of what they stand for, what they publish on social media and some are targeted because of their DNA or just for training purposes. It is a known fact that intelligence agencies such as CIA, FBI, MI5, MI6, MI7 as well as police, are operating outside of law and are trained in concealing forensic evidence in the crimes they have committed. The police will not protect a citizen when he or she is continuously targeted by an intelligence agency, mafia or even nasty neighbours. The police never protect people who are protesting in public, for e.g., but they will protect the banks and corporations to the death in cases of robberies and it should be their priority to protect citizens, as we are the paying their salaries. To the contrary, the police in the US shoots black people who object to a stop and search or anyone who will not obey their commands, this has to stop! The killing of George Floyds inspired a wave of protests in Minnesota, which spread around the country and around the world. The only problem is that the protests were hijacked by Antifa, an organized group of professional provocateurs that act in a manner similar to Arab Spring and other revolutions sponsored by Soros, in order to further divide the people, destroy the economy and undercut the Trump support so another candidate who would be more lenient to the Inner Circle can win the November 2020 elections.

The currency planned for the future is a new cryptocurrency which will be mined in co-operation with the 5G and smart dust as per acting out the prescribed behaviour, so if you do not act as it is expected of you, you will have not mined enough currency to live on. This is solution is already patented by Microsoft. The 5G is bad for your health in a long term and when used at the 60GHz frequency, it becomes a weapon that creates breathing problems and that can kill you in a very short time. We have seen a 5G attack in Wuhan together with the infection as a cover-up. The 5G was rolled out in Wuhan at the same time as the military Olympics took place on October 2019; at the same time the first infected person is thought to go back as far as October, so the chance is that the Military Olympics gave an opportunity for someone to come to China and activate the plan with their Chinese counterpart. After when we have learned of the situation in Wuhan, we have seen people literally dropping dead in the street; this is not what we have seen elsewhere so far but we may see it soon as the 5G network is being rolled out. Some countries or cities, such as Switzerland and Brussels, have stopped the 5G rollout, each country can do it too. We all just need to put enough pressure on the governments around the world to do it. We need faster Internet but not through the millimetre waves, which are harmful and can be used as a weapon. We need a different technology.

Illuminati or the Deep State or the Inner Circle are not the enlightened ones. These are very sad people who believe they are better than others, they are a 'higher' race and therefore they are entitled to carry out plans such as eugenics through the vaccines and mRNA methodology, in order to either 'improve' other races or make some infertile, such as African peoples. They think that they gain power by abusing toddlers, raping and killing children. They are involved in a global paedophilia and sex-trafficking rings and satanic child sacrifice rituals, the most know ring is called the Ninth Circle. Their philosophy has taken the worse out of fascism and communism and black magic all at the same time. The most important thing is that we all become aware of what is going on and stop acquiescing, stop

following idiotic COVID-19 propaganda and stop watching the TV. There are local infections spread purposefully in places like Wuhan, New York, Italy, London; but even there the numbers are not what we are told and the number of deaths is not bigger than the average annual number.

Doctors from around the world report that they are pressured to name COVID-19 as the cause of death in all cases, no matter what the person died for and they get paid thousands for 'diagnosing' COVID-19 and even more for using ventilators. The WHO prohibited hospitals from performing on COVID-19 victims but fortunately some countries like Italy and Germany have not complied and discovered interesting facts such as that over 98% of people died from other causes and those who died from COVID-19 had symptoms of thrombosis with many blood clots and they looked like they have a bacterial rather than viral infection which means they could be helped with antibiotics, aspirin and possibly anti-malaria medication or other medication such as dexamethasone. Using ventilators on people who have the blocked lungs, make their lungs literally explode and kills them.

Let's start from refusing to take the vaccines. If there is pressure, each one of us can write up a document stating that: I agree to accept the vaccine under the condition that: 1) I can carry a full independent laboratory examination of the vaccine before I take it 2) the government and the producer of the vaccine will be legally liable and insured for any side effects for a minimum of 100 mil USD and 3) for a min of 1 bil USD for any gene manipulation and 4) for min of 10 bil USD for death which will be automatically paid out without a court case. If they are sure that those vaccines will not have any gene manipulation or side effects or will not cause death, they should be able to sign such guarantee; by stating such condition, you are not creating a contradiction in a court of law by refusing what maybe required legally, but you just want to make sure that you will stay the same and healthy after. If they refuse to sign, you refuse to take it; simple as that. If they say it is too much money, you will say, your health and life is everything that you have, so even that amount is not enough.

We should use the Internet and non-censored searches, while we can, to get many answers we are looking for. We can stop these people and we can change the plan the way we all want. There have been good attempts for change such as NESARA/GESARA, but the change has to go deeper. We need a spiritual change, we need to ask ourselves: do we live here only to exploit animals and environment without a care what is going to happen to future generations and so busy all time that we do not have the time to think about the meaning of life, our purpose and our role in this Universe? Once we are aware of what is going on, each one of us will come up with something that we can do. Great leaders we do not have at the moment. Trump is trying to do little things but the problem is bigger than Trump and it is all for the show, the Q-anon is a CIA PsychOP (psychological operation) in order to ensure continuous support for Trump, while the Inner Circle continue to unfold their NEW WORLD ORDER plan.

We want to prove them right as they claim that people are the virus of the Earth, or do we? It is time to change. I believe we can all change and we can all live in a paradise here on Earth. We need to start from seeking spiritual answers, ask ourselves: what is it that really matters in our lives? Often time when people are close to death, they realised that the most beautiful moments in their lives were the moments of connection with nature and the most important moments were those of expressing love, being around the people they love. Real Love however goes even deeper; it is the ultimate experience in the face of a mystical experience of the Creator, only those who experienced it, know it. Let us build a new system, which is, rather than being based on EGO, it will be based on true values such as Nature, Love, Spirituality, Freedom, Democracy, Sovereignty, Anonymity, Consent and Choice. Collectively we have the ability to come together and change the system, start from stopping to acquiesce and withdrawing consent and becoming aware of the true situation we are all in and with the global unified will and intention, we can all do this.
